Motion made by Robert Norris and seconded by Robert Pierce to accept the Town of Oppenheim Second Amendment Sanctuary Resolution which is as follows:

2020 Town of Oppenheim State of New York  
Second Amendment Sanctuary Resolution

SECTION 1. TITLE

The title of this Resolution shall be known as the "Second Amendment Sanctuary Ordinance," or "SASR."

SECTION 2. FINDINGS

The people of the Town of Oppenheim, New York, find and declare:

- A. Acting through the United States Constitution, the people created government to be their agent in the exercise of a few defined powers, while reserving to the citizens the right to decide on matters which concern their lives, liberty, and property in the ordinary course of affairs;
- B. The Second Amendment to the Constitution of the United States of America states, "A well-regulated Militia being necessary to the security of a free State, the right of the People to keep and bear arms, shall not be infringed";
- C. The right of the people to keep and bear arms is further protected from infringement by State and Local Governments under the Ninth, Tenth, and Fourteenth Amendments to the Constitution of the United States of America as well as Article II, Section 4 of the New York Civil Rights Law;
- D. The Supreme Court of the United States of America in *District of Columbia v. Heller* recognized the individual's right to keep and bear arms, as protected by the Second Amendment of the Constitution of the United States of America. Justice Antonin Scalia's prevailing opinion in that case stated that the Second Amendment protects an individual's right to possess a firearm unconnected with service in a militia, and the right to use that firearm for traditionally lawful purposes, such as self-defense within the home;

E. Section I of the Fourteenth Amendment to the Constitution of the United States of America states, "No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws";

F. The Supreme Court of the United States recognized in *McDonald v. City of Chicago* that the Second Amendment to the Constitution was incorporated by the Fourteenth Amendment and thereby made applicable to the States;

G. Justice Thomas M. Cooley in the *People v. Hurlbut* 24 Mich. 44, page 108 (1871), states: "The State may mould local institutions according to its views of policy or expediency: but local government is matter of absolute right; and the state cannot take it away";

H. The right to be free from the commandeering hand of government has been recognized by the United States Supreme Court in *Printz v. United States*. The Court held: "The Federal Government may neither issue directives requiring the States to address particular problems, nor command the States' officers, or those of their political subdivisions, to administer or enforce a federal regulatory program." The anticommandeering principles recognized by the U.S. Supreme Court in *Printz v. United States* are predicated upon the advice of James Madison, who in *Federalist #46* advised "a refusal to cooperate with officers of the Union" in response to either unconstitutional federal measures or constitutional but unpopular federal measures;

1. Therefore, the right to keep and bear arms is a fundamental individual right that shall not be infringed; and all local, state, and federal acts, laws, orders, rules or regulations regarding firearms, firearms accessories, and ammunition are a violation of the Second Amendment;

J. Local governments have the legal authority to refuse to cooperate with state and federal firearm laws that violate those rights and to proclaim a Second Amendment Sanctuary for law-abiding citizens in their cities and counties;

K. Therefore, through the enactment of this document, The Town of Oppenheim, New York, is hereby a Second Amendment Sanctuary Town.

### SECTION 3. PROHIBITIONS

A. Notwithstanding any other law, regulation, rule or order to the contrary, no agent, department, employee or official of the Town of Oppenheim, a political subdivision of the State of New York, while acting in their official capacity, shall:

Neither sovereign nor official or qualified immunity shall be an affirmative defense of the County in cases pursuant to this section.

D. Exceptions:

1) The protections provided to citizens by this ordinance do not apply to persons who have been convicted of felony crimes or who are prohibited from possessing firearms under federal law ..

2) This ordinance is not intended to prohibit or affect in any way the prosecution of any crime for which the use of, or possession of, a firearm is an aggregating factor or enhancement to an otherwise independent crime.

3) This ordinance does not permit or otherwise allow the possession of firearms in State or Federal buildings.

4) This ordinance does not prohibit individuals in the Town of Oppenheim from voluntarily participating in assisting in permitting, licensing, registration or other processing of applications for concealed carry permits, or other firearm, firearm accessory, or ammunition licensing or registration processes that may be required by law.

## SECTION 5. SEVERABILITY

A. The provisions of this act are hereby declared to be severable, and if any provision of this act or the application of such provision to any person or circumstance is declared invalid for any reason, such declaration shall not affect the validity of the remaining portions of this act.
